

CAREER VACANCY FOR IMMEDIATE FILL:

POSITION: Director of Security Systems Integration, Global Guardian Asset Security

LOCATION: Charlotte, NC

Global Guardian is a leading provider of emergency medical and security solutions for corporations and individuals.

Our 24/7 Operations Centers in Charlotte, NC, and McLean, VA identify, monitor, and respond to threats and emergencies with on-the-ground teams in over 100 countries. Our world-class professionals possess extensive experience in the intelligence community, military special operations, and federal law enforcement.

Global Guardian is an investor backed, high growth company that provides employees with unmatched promotion opportunities within the organization.

Founded over ten years ago by a Delta Force Sergeant Major, and an Army Special Forces Colonel, we are a values-based organization that focuses on a culture of comradery, service, and excellence. We have managed crises in the worst environments in the world, and we know how to act fast to provide unmatched service for our clients.

The **Global Guardian Asset Security** division provides video surveillance/sensor technology and monitoring services.

Our 24/7 Operations Center based in Charlotte, NC guarantees that our clients' assets are monitored and protected against break-ins, theft, and unauthorized activity. Within seconds of identifying intruders or unwanted activity, our professionals remotely issue intruders verbal commands through loudspeakers, initiate audible alarms, and contact designated client representatives or coordinate an immediate law enforcement response.

Are you ready to join a better team?

JOB DESCRIPTION

The **Director of Security Systems Integration** has the primary responsibility to recruit and manage a team of employees to provide security systems installation and integration nationwide, to include video surveillance, access control, and other security technology.

Duties include:

- ▶ Manage all aspects of security system installations nationwide
- ▶ Recruit and manage a team of both W2 employees and independent contractors
- ▶ Support the Service Manager to provide service calls and maintenance services to customer sites nationwide

Compensation:

- ▶ +\$60,000 starting compensation, negotiable
- ▶ Potential for raise after first year
- ▶ Annual bonus after first year (performance based)
- ▶ Full benefits package

QUALIFICATIONS

Candidate MUST:

- ▶ Be a high performer and contributing member of the team
- ▶ Be willing to learn and grow
- ▶ A passion for providing purpose, direction, and motivation to diverse teams of individuals in order to accomplish complex common goals
- ▶ Be a U.S. citizen or a foreign citizen authorized to legally work in the U.S.
- ▶ Be drug free (must pass drug tests)
- ▶ Pass an extensive multi-state background check (a clean criminal background is required)
- ▶ Possess a high school diploma or equivalent
- ▶ Possess extensive project management and/or technical experience in the security industry

Additional Desired Qualifications:

- ▶ 10+ years of experience in the installation of wiring and signaling equipment, including access control, video surveillance, IP cameras, other basic security system equipment, equipment application, mounting techniques, programming, and testing
- ▶ Established professional relationships with installers and integrators in other states
- ▶ Undergraduate degree
- ▶ Military experience strongly desired

Global Guardian is an Equal Opportunity/Affirmative Action Employer and an Alcohol-and-Drug Free Workplace.
