

CAREER VACANCY FOR IMMEDIATE FILL:

POSITION: Program Manager, Global Guardian Asset Security

LOCATION: Charlotte, NC

Global Guardian is a leading provider of emergency medical and security solutions for corporations and individuals.

Our 24/7 Operations Centers in Charlotte, NC, and McLean, VA identify, monitor, and respond to threats and emergencies with on-the-ground teams in over 100 countries. Our world-class professionals possess extensive experience in the intelligence community, military special operations, and federal law enforcement.

Global Guardian is an investor backed, high growth company that provides employees with unmatched promotion opportunities within the organization.

Founded over ten years ago by a Delta Force Sergeant Major, and an Army Special Forces Colonel, we are a values-based organization that focuses on a culture of comradery, service, and excellence. We have managed crises in the worst environments in the world, and we know how to act fast to provide unmatched service for our clients.

The **Global Guardian Asset Security** division provides video surveillance/sensor technology and monitoring services.

Our 24/7 Operations Center based in Charlotte, NC guarantees that our clients' assets are monitored and protected against break-ins, theft, and unauthorized activity. Within seconds of identifying intruders or unwanted activity, our professionals remotely issue intruders verbal commands through loudspeakers, initiate audible alarms, and contact designated client representatives or coordinate an immediate law enforcement response.

Are you ready to join a better team?

JOB DESCRIPTION

The **Program Manager** has the primary responsibility to manage all aspects of both new customer security projects (security systems installation and integration) and existing customer account management (service, maintenance, and engagement).

Substantial opportunities exist for the best Program Managers to be promoted into other roles within the business, to include Vice President of Operations.

Duties include:

- ▶ Manage all aspects of the technology installation and integration process, including management responsibilities over the Director of Systems Integration
- ▶ Manage all aspects of the Service Management process, including management responsibilities over the Service Manager
- ▶ Account management responsibilities for key clients

Compensation:

- ▶ \$80,000+ starting compensation, negotiable
- ▶ Potential for raise after first year
- ▶ Annual bonus after first year (performance based)
- ▶ Full benefits package

QUALIFICATIONS

Candidate MUST:

- ▶ Be a high performer and contributing member of the team
- ▶ Be willing to learn and grow
- ▶ Be at least 18 years of age
- ▶ Be a U.S. citizen or a foreign citizen authorized to legally work in the U.S.
- ▶ Be drug free (must pass drug tests)
- ▶ Pass an extensive multi-state background check (a clean criminal background is required)
- ▶ Possess a high school diploma or equivalent
- ▶ Possess extensive project management and/or technical experience in the security industry

Additional Desired Qualifications:

- ▶ 10+ years of experience in the installation of wiring and signaling equipment, including access control, video surveillance, IP cameras, other basic security system equipment, equipment application, mounting techniques, programming, and testing
- ▶ 3+ years of experience in project/program management, with direct management responsibilities over other managers
- ▶ Established professional relationships with installers and integrators in other states
- ▶ Undergraduate degree
- ▶ Military experience strongly desired

Global Guardian is an Equal Opportunity/Affirmative Action Employer and an Alcohol-and-Drug Free Workplace.
